Event Schedule Announced!

Full day of activities planned for Saturday

An activity
schedule for the
weekend was just an-
nounced by Central Flor-
ida Council's Wood

Badge 100 Planning Committee. Among
activities on the itinerary are bottle rock-
ets, cardboard canoe races, five different
outdoor games, a presentation outlining
the "new" new Wood Badge course, and

lots of fellowship and reunion
time with your course-mates
and fellow critters.

Reunion Cookery. A virtual
"who's who" in campout quar-
termasters have volunteered to

prepare outstanding camping cuisine for
your enjoyment. Your Saturday reunion
fee includes breakfast, lunch and dinner,
so you won't want to miss any! Plus
Cracker Barrels for weekend campers!

21 Course Directors returning for the reunion

As of this writing, 21 returning Course Directors/Scoutmasters will bring some course memorabilia to share for the anniversary celebration. Central Florida Council has offered a Wood Badge course since 1970, and two courses per year continuously since 2000. Although there have been a few exceptions in the 1970's and early 1980's, each course was guided by a different Scoutmaster.

The Gilwell Society of Central Florida is formed to provide meaningful and practical avenues for continued service to Scouting at the local level, provide financial assistance to Scouters to assure no one is denied the opportunity, to encourage and support the completion of Wood Badge tickets and related contributions that benefit youth and strengthen the bonds of friendship and fellowship among all Scouters.
